01. INTRODUCTION TO DES | DIGITAL BUSINESS WORLD CONGRESS

FEEL THE EXPONENTIAL INTELLIGENCE

Exciting news for the Tech industry! In 2024, technology will continue to develop and evolve with more powerful and innovative solutions which will shape the future of how we live and work.

DES2024 will explore the incredible potential of exponential technologies, with a special focus on Artificial Intelligence. When human talent joins forces with these cutting-edge technologies, a powerful synergy emerges, leading us into a brand-new era of transformation.

Digital Enterprise Show has become the largest European professional event on exponential technologies and one of the global benchmarks that offers C-Level Executives and top management the latest technological solutions and products to guide/support large corporations, SMEs and public administrations towards digital transformation.

DES | Digital Enterprise Show brings together the best experts to spur the identification and creation of business and professional opportunities during 3 days in June at Málaga, Spain. The myriad of conferences, the exhibition area and the many networking possibilities equally attract top executives, decision makers, transformers, innovators and entrepreneurs from the private as well as public sector. The range of presented innovations, the different discussions topics and formats, along with the international mix of participants from around 50 countries stimulate knowledge transfer, inspiration and success stories sharing.
